10 discharge of the decision-making or oversight functions of the

27 EXPLANATION

28       This bill makes various revisions to the Iowa nonprofit  
29 corporation Act.

30 Code section 504.141 is amended to add a definition of a  
31 "designated body" which is a person or group other than a  
32 committee of the board of directors that is vested by the  
33 articles of incorporation or bylaws of a nonprofit corporation  
34 with powers otherwise required to be exercised by the corporate  
35 board of directors or the members. Other definitions are

1 modified to include a designated body within the meaning of the  
2 "board of directors" or as a "member" of the corporation and to  
3 exclude individuals who are members of a designated body from  
4 the definition of a "director".

5 Code section 504.141 is also amended to provide that an  
6 "entity" includes an "unincorporated entity" and to include  
7 a definition of an "unincorporated entity" which is an  
8 organization or other legal entity that is not a corporation  
9 and that either has a separate legal existence or has the  
10 power to acquire an estate in real property in the entity's  
11 own name. An "unincorporated entity" includes specified  
12 types of legal entities that are not corporations. An  
13 "unincorporated entity" also does not include an estate, a  
14 trust, a governmental subdivision, a state, the United States,  
15 or a foreign government. There are also definitions for a  
16 "domestic unincorporated entity" whose affairs are governed  
17 by Iowa law and for a "foreign unincorporated entity" whose  
18 affairs are governed by the law of another jurisdiction.

19 Code section 504.622 is amended to provide that membership  
20 in a public benefit or mutual benefit corporation may be  
21 terminated or suspended as provided in the articles of  
22 incorporation or bylaws and to the extent that those items do  
23 not address such a termination or suspension, the procedure  
24 must be carried out in good faith in a manner which is fair and  
25 reasonable.

26 Code sections 504.701 and 504.702 are amended to allow a  
27 nonprofit corporation with members to hold an annual or regular  
28 meeting or a special meeting by means of the internet or other  
29 electronic communications technology so long as members have  
30 the opportunity to read or hear the proceedings substantially  
31 concurrent with the occurrence of the proceedings and can vote,  
32 pose questions, and make comments.

33 New Code section 504.709 requires that an individual preside  
34 as chair at each meeting of corporate members as provided in  
35 the articles of incorporation or bylaws, as appointed by the

1 board, or as appointed by members at the meeting. Unless  
2 otherwise provided by the articles or bylaws, the chair shall  
3 determine the order of business and establish rules for the  
4 conduct of the meeting.

5 New Code section 504.719 allows a nonprofit corporation with  
6 members to appoint one or more inspectors to assist with voting  
7 at the meeting and make a report of their determinations and  
8 the results of the vote.

9 Code section 504.801 is amended to provide that, with the  
10 exception of corporate powers that are vested in a designated  
11 body, all such powers shall be exercised by or under the  
12 authority of, and the affairs of the corporation shall be  
13 managed under the direction and subject to the oversight of,  
14 the board of directors.

15 New Code section 504.813 allows some, but not all, of the  
16 powers, authority, or functions of the board of directors,  
17 or of the rights or obligations of members, of a nonprofit  
18 corporation to be vested by the articles of incorporation or  
19 bylaws in a designated body. If such a designated body is  
20 created, provisions of law applicable to the powers, authority,  
21 functions, rights, or obligations of the board of directors,  
22 the directors individually, or the members apply to the  
23 designated body and its members individually and the directors  
24 or members are relieved of their duties and liabilities with  
25 respect to those matters vested in the designated body.

26 Code section 504.826 is amended to provide that a nonprofit  
27 corporation can create or authorize the creation of one or  
28 more advisory committees whose members are not required to be  
29 directors of the corporation. Such an advisory committee is  
30 not a committee of the board and cannot exercise any powers of  
31 the board.

32 Code section 504.831 is amended to provide that in  
33 discharging board or committee duties a corporate director  
34 must disclose information to the other board or committee  
35 members that is not known to them but known by the director to

1 be material to their decision-making or oversight functions,  
2 except when such disclosure would violate a legal duty,  
3 a legally enforceable obligation of confidentiality, or a  
4 professional ethics rule.

5 Code section 504.831 is also amended to allow a director to  
6 rely on a committee of the board or an advisory committee of  
7 which the director is not a member as to matters within the  
8 committee or advisory committee's jurisdiction, if the director  
9 reasonably believes the committee or advisory committee merits  
10 confidence.

11 Code section 504.834 is amended to provide that the  
12 prohibition of that Code section against lending money to or  
13 guaranteeing the obligation of a director or officer of the  
14 corporation does not apply to certain specified advances and  
15 loans.

16 New Code section 504.836 provides that a director's taking  
17 advantage, directly or indirectly, of a business opportunity  
18 cannot be the subject of equitable relief or give rise to an  
19 award of damages or other sanctions against the director, in  
20 a proceeding by or in the right of a nonprofit corporation on  
21 the ground that the business opportunity should have first  
22 been offered to the corporation if before becoming legally  
23 obligated on the business opportunity, the director brings the  
24 opportunity to the attention of the corporation and action  
25 is taken by the directors, a committee of the directors, or  
26 the members disclaiming the corporation's interest in the  
27 opportunity. This disclaimer must be made in compliance with  
28 procedures set forth in Code section 504.833 for conflict of  
29 interest transactions by directors. However, in an action  
30 seeking equitable relief or other remedy based upon an alleged  
31 improper taking advantage of such a business opportunity by a  
32 director, the fact that the above procedure was not complied  
33 with does not create an inference that the opportunity should  
34 have been presented to the corporation or alter the burden  
35 of proof necessary to establish a breach of duty to the

1 corporation by the director.

2 Code section 504.843 is amended to provide that a corporate  
3 officer has the duty to provide information to specified  
4 persons within the corporation about the affairs of the  
5 corporation known to the officer to be material and about any  
6 actual or probable material violation of law involving the  
7 corporation or any material breach of duty to the corporation  
8 by an officer, employee, or agent of the corporation.

9 Code section 504.1101 which applies to mergers of nonprofit  
10 corporations with other entities, is amended to substitute  
11 the newly defined term "unincorporated entity" for "limited  
12 liability company". A limited liability company is now  
13 encompassed within the definition of an "unincorporated  
14 entity", which includes other types of entities as well.

15 Code section 504.1102, which allows certain mergers by  
16 public benefit or religious corporations without prior  
17 approval of the district court, is amended to also apply to a  
18 newly defined "domestic unincorporated entity" and "foreign  
19 unincorporated entity" which, if incorporated, would qualify  
20 as a public benefit or religious corporation, and to an  
21 "unincorporated entity", which if incorporated, would not  
22 qualify as a public benefit or religious corporation, but meets  
23 other specifications.

24 Code section 504.1102 is also amended to provide that when  
25 a merger of a public benefit or religious corporation with  
26 a business or mutual benefit corporation or unincorporated  
27 entity, which if incorporated would not qualify as a public  
28 benefit or religious corporation, will result in the public  
29 benefit or religious corporation not surviving, certain  
30 conditions must be met.

31 Code section 504.1106 is amended to allow mergers between a  
32 newly defined "foreign unincorporated entity" and a domestic  
33 nonprofit corporation under specified conditions.
